1857 sq./ft. / Garage 484 sq./ft. • Category B

9150 Occidental Rd unit #7., Yakima

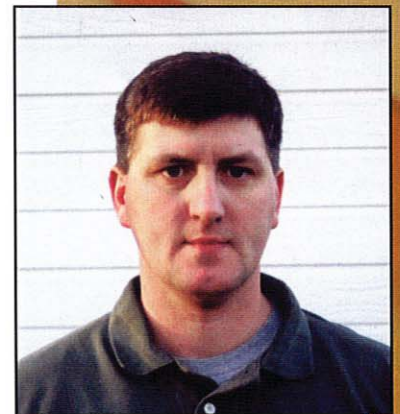

Want to see what golfers call the most picturesque par 3 in the northwest? Look out of your front window.

From home sites overlooking lush fairways and well-manicured greens to luxurious condos with breathtaking views of the world's only apple island green, the Apple Tree Resort Community makes your dream of golf course living a reality.

Apple Tree Construction is proud to welcome you to the Apple Tree Resort, and the 2002 Tour of Homes. We are excited about this year's Tour, and the start of the Apple Tree Resort project. This year's entry is a spacious upscaled 1,857 square foot one level condominium with two bedrooms and two baths. The open concept with maple cabinets and tile floors and countertops, features a large master suite with jetted tub, and a large great room overlooking the golf course.

The Apple Tree Construction team is committed to offering "high quality" upscale housing at an affordable price, and we welcome the opportunity to answer all of your questions on the condominium and the Resort project as a whole. We hope you enjoy your visit.
