Something about DH Construction Homes make the days seem more enjoyable, more inviting.

After 25 years, we are convinced it's the "little things" like creating a feeling of openness, thoughtful touches in finish work, and functional floor plans that meet the needs of the Homeowner. To us, it's all of those details and more that combine to make our houses your home. We have designed this year's Tour Home with the same thought in mind – Making the "Little Things" a Big Deal.

Thank you for another successful year. We hope you enjoy the latest rendition of our New Tour Home.

Directions:

Drive west on Tieton Drive until you reach South 87th Ave. Turn left on South 87th, the first street on your right is Meadow Lane. Park on South and walk into the cul-de-sac and you will see our home at 8705 Meadow Lane at the top of the cul-de-sac.
